Developing through fun, adventure and discovery

Tristan the Runaway Tractor

Turn back the clock and allow children to develop through fun, adventure and discovery at Hatton Farm Village.

With children growing up in this age of technology, a visit to Hatton allows young minds to explore the countryside, its animals, where the food they eat comes from, how animals and humans work together and the

importance of outdoor activity. And at Hatton Farm Village they do all this and more whilst having fun!

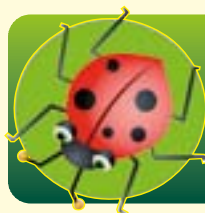

Your trip to Hatton includes an exciting mix of shows, demonstrations and both indoor and outdoor adventure play designed for your group at your pace - because you can decide what you would like to include during your visit from our daily programme.

Demonstrations and Shows

Created for children, our demonstrations and shows are both fascinating and entertaining. Discover the agility of birds of prey in the stunning 'Bird-o-batics' Falconry Displays, watch Hatton's Sheepstakes to see which of our woolly friends is first across the finishing line or listen to Tristan the Runaway Tractor's story as he takes you on a journey across the Hatton Estate with some unexpected twists and turns!
